

PASSION WEEK SERMONS APPEAL TO BIG AUDIENCES

Pastor-Evangelist Peters Showing His Mettle During Last Days Of Big Methodist Revival.

The very unfavorable and extreme-disagreeable weather of Tuesday evening did not deter a fine audience from assembling at Third Street M. E. church to enjoy the revival service now in progress. It is quite evident that a large number of people are interested in this meeting. The pastor, Rev. Peters, is giving a splendid series of Passion Week sermons that are at the same time very evangelistic. The sermon of Tuesday evening was based on the events of that busiest day of the Savior's last week, frequently called the "Day of Conflict." Many lessons of vital importance to the Christian life were drawn from this day in the Savior's life. It was a sermon with a searching appeal to both Christian and sinner. "Tender unto Caesar the things that are Caesar's and God the things that are God's" were the words of Jesus to His questioners, and this is what the speaker urged his hearers to do.

The music was splendid. Prof. Grenfel told the congregation that they sang "the best yet." How the choir and congregation did respond to the leadership of Prof. Grenfel, especially in a beautiful and catchy new chorus entitled "At Calvary." It promises to be a prime favorite. It is worth your while to attend these meetings to hear the inspiring music. "Violet" by Terschuk, was the flute offertory.

Reports from the group prayer meetings were the best yet. These meetings are accomplishing much good, and are distributing the blessings of the revival to many who are "shut-ins"—not able to attend the church services. Then women are learning to pray and to lead meetings that have never done so before. These meetings will continue at 10 a. m. each day to and including Friday. Services at the church at 7:30. The "boosters" meet this evening at 7.

Committees were appointed last night to arrange for the big family service Easter Sunday morning. Automobiles will be sent for all too old or infirm to attend otherwise. The church will be appropriately decorated, the music will be the best of the whole time, and everything possible will be done to make it a day that will never be forgotten by those who come. No member of the church can afford to be absent.

Word received from Evangelist Callis Tuesday that his mother is in an extremely critical condition and not expected to survive many days. Rev. Callis has cancelled his next engagement which was to have begun at Maysville, Illinois, next Tuesday. His numerous Maysville friends will deeply sympathize with him in his trouble.

KENTUCKIANS DROWNED IN OHIO NEAR PORTSMOUTH

Small Craft Is Upset In Gale and Three Are Drowned—Two In Boat Are Rescued.

Portsmouth, Ohio, April 12. — The Ohio River at this point claimed its first victims of the season when Leonard Warnock, 24, and Aubrey Warnock, 19, and Thomas Truitt, 45, were drowned.

The skiff in which they were crossing the river upset. The two other occupants of the boat, Harry Warnock, 25, and Earl Ruggles, 27, narrowly escaped a similar fate, being weakened by the buffeting water and about ready to release their hold when rescued.

The three victims, two of whom were brothers, slipped from the overturned boat into the river when the rescue party was only about 25 yards away. The five men were employed at the N. & W. shops here and were all residents of Fullerton, Ky., and vicinity. No attempt has yet been made to locate their bodies, the condition of the river making it impossible for searching parties to even begin work.

North and South Irish Troopers Reach Agreement on a Truce and Men Are Withdrawn From Lines.

Belfast, April 12.—A truce has been declared between the Ulster special constables and the Free State troops, which have been in menacing proximity along the Fermanagh border between Ulster and South Ireland.

Sir Basil Brooke, commanding the Fermanagh specials, crossed into Free State territory at Blacklion near Bellefountain, and conferred with the rival leader. The interview was harmonious and an agreement was reached under which both sides will withdraw their forces a short distance from the border-line to avoid the risk of a clash.

POLICEMAN KILLED BY ROBBER CAUGHT ROBBERING STORE

Negro, Formerly Employed in Georgetown Drug Store, Caught in Stealing Liquor, Kills Policeman But Is Also Wounded.

Henry Banks, negro, 30 years old, with shots through the lung, shoulder and right leg, was taken to the Fayette county jail from Georgetown Tuesday morning by Sheriff Ollie McFarland, of Scott county, for safe keeping by order of County Judge J. B. Ward, of Scott county.

Banks in a pistol duel with Night Policeman W. O. Barkley and Will Perkins, a special guard, it is alleged, shot Officer Barkley through the stomach while in Arnold's drug store in Georgetown about 3 o'clock Tuesday morning.

Barkley died at 9:15 o'clock Tuesday morning at the John Graves Ford Memorial hospital, Georgetown, following an operation.

Banks was taken to Lexington when strong feeling is said to have gained headway and it was deemed advisable to remove him from Georgetown.

Policemen Barkley and Perkins were attempting to catch Banks, who for about two weeks is claimed by officers to have been entering the drug store through a third story window and has been stealing whiskey and brandy in small quantities.

Banks, who was formerly employed by the drug company, was suspected, and Saturday night is said to have been seen entering the store through the third floor window.

Since then Will Perkins, as watchman, had been stationed in the store every night.

Banks was not seen there, however, until early Tuesday morning.

Entering through the same window he is alleged to have used on previous visits, Banks turned on a light on the third floor and examined the safe which is located at one end of the room. Finding the safe doors locked, Banks, it is said, proceeded downstairs, where the whiskey and brandy were stored.

As Banks stepped to the ground floor he was commanded to throw up his hands by Policeman Barkley.

Without a word, it is said, Banks opened fire with an automatic revolver that he is reported to have stolen from Mr. Arnold several weeks ago.

The officers returned the first with fourteen shots at the crouching negro.

Banks fired three shots, one passing through Policeman Barkley's body.
